KNOW BEFORE YOU GO

- Taxis are metered — expect €5-8 from the pier to Old Town, €15-20 to Pollença. Agree the fare for longer trips.
- Market days are Tuesday & Sunday in the Old Town by Porta del Moll — one of the best markets in northern Mallorca, worth timing your visit around.
- Summer calls run hot (June-August regularly 30°C+). Head to the beach or S'Albufera early; save the walled town for late morning when crowds thin.
- Hire a bike at the port — the flat seafront cycle path to Playa de Muro is one of Mallorca's easiest and most scenic rides, no hills at all.
- Cash still useful at the market stalls and some beach bars. ATMs are available in the port area and along the promenade.
- Book boat trips early — catamaran and small-boat excursions to Coll Baix and Cap de Formentor sell out quickly in peak season (June-September).
