KNOW BEFORE YOU GO

- Bring cash in euros. Batina has no ATM at the pier and card acceptance is extremely limited. Stock up before you arrive.
- Pack insect repellent if visiting Kopački Rit — the wetland is stunning but mosquitoes can be fierce, especially in summer.
- Short calls are common. With 4–6 hours in port, most passengers either do the local memorial walk or join a coach excursion — you likely can't do both.
- Try Graševina wine — the local white grape of Baranja produces crisp, food-friendly wines you won't easily find outside the region.
- The memorial hilltop gives the best panorama in port — worth the 10-minute walk up even if you're tight on time.
