KNOW BEFORE YOU GO

- Ride the Casino Hopper: Coast Transit's Casino Hopper trolley runs every 25 min along Highway 90 — a cheap, easy way to reach casinos, beaches, and attractions without paying for a cab.
- Eat the seafood: Biloxi shrimp, oysters, and Gulf fish are the real deal. Look for local spots along the waterfront and Back Bay — skip the chain restaurants inside the casinos.
- Summer heat is real: June–September temperatures often hit 90°F+ with high humidity. Stay hydrated and plan indoor stops (museums, casinos) during the midday heat.
- The beach is man-made: Biloxi's 26-mile white sand beach was created by the Army Corps of Engineers. It's beautiful and swimmable but note it fronts a busy highway — use designated crosswalks.
- Biloxi is a small-ship port: Only American Cruise Lines' small vessels call here on Gulf Coast itineraries. Expect a low-key, intimate experience rather than a big cruise-terminal setup.
