KNOW BEFORE YOU GO

- Budget for transport: You cannot walk to the city. Budget £20–25 each way for a taxi, or share with fellow passengers to split costs. Trains from Avonmouth are cheaper but require a short transfer.
- Allow return time: The port road can get congested when multiple ships are in at once. Aim to be back at the terminal 90 minutes before all-aboard.
- British pounds only: Cards are accepted almost everywhere in Bristol, but carry some cash for smaller cafés and market stalls at St Nicholas Market.
- Bath is a must if time allows: Trains from Bristol Temple Meads to Bath Spa take 11-15 minutes and run every 15 minutes. Buy a return at the station or online.
- Spot original Banksy work: Several authenticated Banksy pieces remain on Bristol's walls — pick up a free Banksy trail map from the tourist info point near Harbourside.
- Pack a layer: Bristol weather is classic southwest England — mild but changeable. A light waterproof is wise even in summer.
