KNOW BEFORE YOU GO

- Tender timing matters. Lines peak in the first hour after arrival. Wait 30–45 minutes on board before heading to the gangway, then enjoy a more relaxed boarding experience.
- USD is widely accepted in tourist areas but pesos get better rates at local eateries. ATMs are at the marina pier and inside Plaza Bonita.
- Water taxis ≠ the tender. Water taxis (≈\$5–10 USD) run from the marina to Medano Beach and Lover's Beach — they're separate from the cruise ship's tender service.
- Divorce Beach is NOT safe for swimming. It faces the open Pacific with powerful waves and rip currents. Lover's Beach on the same peninsula is calm and swimmable.
- Sun is intense year-round. Bring SPF 50+, a hat, and stay hydrated — Cabo bakes even in winter. Heat and dehydration sneak up quickly on excursions.
- Rough seas can cancel tenders. On windy days the bay can get choppy and tenders may be delayed or suspended. Check the ship's bulletin first thing in the morning.
