KNOW BEFORE YOU GO

- Pack layers. Catskill sits at the foot of the mountains — weather can be cool and changeable even in summer. Bring a light jacket.
- Rent a car for mountains. Kaaterskill Falls, Olana, Hunter Mountain, and North-South Lake are all 20–45 minutes away — not walkable from the pier.
- Cards everywhere. Catskill businesses are small but modern — credit and debit cards accepted widely. Keep a little cash for farmers' markets.
- Art is the story here. The Hudson River School was born in this valley. Thomas Cole and Olana together make one of the richest art-history mornings in upstate New York.
- ACL calls are long. American Cruise Lines typically allows 7–9 hours in port — plenty of time for town plus one mountain excursion.
- Local cider stop: Left Bank Ciders on Water Street has a rotating draft list and a patio over Catskill Creek — great for a last drink before sailing.
