KNOW BEFORE YOU GO

- Use Romanian Leu (RON). EUR is widely understood but you'll get better rates at ATMs in town. Cards accepted at larger restaurants.
- Book Delta and Constanța tours early. These are the most popular excursions; ship-organised tours fill quickly on popular sailing dates.
- Summer is hot and sunny. Bring sunscreen and a hat — the riverside walk and open excursion sites offer little shade. Best weather is May–June and September–October.
- Taxis are cheap but agree first. Always negotiate the fare before getting in — meters are often not used. €5–10 EUR should cover most in-town trips.
- Try the fish. Local Danube carp and pike are restaurant staples; *ciorbă de pește* (fish soup) is a regional specialty worth seeking out near the waterfront.
