KNOW BEFORE YOU GO

- Sunscreen before you leave the ship. The pier walk is long, flat, and completely shadeless. Apply SPF and bring a hat — you will feel the sun immediately.
- Budget 30–45 min to return to the ship. The tram can queue and the pier walk takes time. Set a phone alarm based on your all-aboard time.
- Plan your day around Rush! The Junkanoo parade is the cultural highlight of the island. Check the Disney Navigator App for daily showtimes when you arrive.
- Cabanas sell out months in advance. If a private cabana is on your wish list, book as soon as your booking window opens via the DCL website or Navigator App.
- Bring bug spray. Sandflies (no-see-ums) can be active, especially near vegetation and depending on wind conditions. Small bottles are easy to pack.
- Cash or card for local vendors. Your Key to the World card works for Disney-operated food, drinks, and rentals, but the Treasures of Eleuthera market vendors prefer cash or credit.
