KNOW BEFORE YOU GO

- Tender early. On busy summer days, multiple ships are in port simultaneously. Get off early to avoid mid-morning queue crunches both ways.
- Book excursions before you board. Dalsnibba bus tours and RIB safaris sell out fast in June–August. Pre-book through your cruise line or a local operator.
- Dress in layers. Weather in the fjord changes quickly. Even on warm days, the tender ride and Dalsnibba summit (1,500 m) can be cold and wet.
- Cards accepted everywhere. Norway is nearly cashless — you'll rarely need NOK. All shops, operators, and the Fjord Centre take cards.
- Hop-on hop-off buses are reliable. Strømme operates HOHO buses on cruise days to Flydalsjuvet, Vesterås Farm, and the Fjord Centre. Buy tickets at the pier on arrival.
- Best photo of the ship: Head up to Flydalsjuvet viewpoint — the classic shot shows your cruise ship dwarfed by the fjord walls below.
