The map illustrates the city of Zhuhai, China, and its strategic location. It shows the city's extensive coastline and the numerous bridges that connect it to the mainland and Macau. The map includes labels for major roads, such as G105, G94, S34, S366, and S530, as well as various districts and neighborhoods. The surrounding water bodies, including the Pearl River Delta and the South China Sea, are also depicted. A legend in the bottom right corner provides a key to the map's symbols and labels.
